### Required Supplies

- **24 count *PRISMA COLOR* pencils : *required***  
These are the best quality brand, others do not blend nicely and are not as buildable and workable. If you do buy another brand, the quality can and most likely will become frustrating. If you wish to get a larger pack, the more the merrier! But the 24 pack will be enough.
- **white hi polymer eraser: *required***
